shell fabric: 100% polyester
fabric weight: ca. 210 g/m²
reinforcement: 100% polyester
colour: fluo yellow/black
sizes: 24 - 30, 44 - 64

• very comfortable elastic fabric, which provides an unparalleled freedom of movement
• the shell fabric is very breathable and supports the regulation of the body temperature
• water repellent with a high-quality finish
• important UV protection for the summer months with UPF 40+
• 1x7cm and 1x8cm wide reflective stripes
• the high quality ironed reflective stripes reduce the weight of the trousers, reduce the need for additional seams and improve the comfort
• modern and ergonomic fit
• elastic inserts in the waist
• pre-shaped knees for additional comfort
• ventilation openings with zippers
• contrast inserts in the areas, which usually get dirty
• reinforcements on the high-stress areas
• adjustable leg hem with press buttons
• covered zippers to prevent scratches

pockets:
• 2 side pockets
• 1 bib pocket
• 1 leg pocket with a zipper
• 2 back pockets with zippers
• 1 ruller pocket
• 1 double tool pocket
• packaging unit: 5
