

Article Datasheet

Art.No.: 6390

SEMPERIT SUPREME® **METER**

RUBBER MULTI-PURPOSE HOSE 50 METERS

Article Description:

Material:

Cover: high quality performance rubber

Reinforcement: textile spiral

Tube: high quality performance rubber

Colour: black with 3 green stripes

Working pressure: 20 bar

temperature range: -40°C / +135°C (compressed air +120°C)

safety factor: 4:1

coil length: 50m

- high quality multipurpose hose
- resistant to hot water and light chemicals
- resistant to oil and fuel
- resistant to high temperature
- high abrasion resistance
- ozone- and weather resistant cover
- applications: construction sites, agriculture, industrial plants
