

## Article Datasheet

Art.No.: 89865

### Article Description:

Roll-length: 50m

Width: 48mm

Support Material: synthetic fabric

adhesive: rubber

Tensile strength: 40N/cm

Elongation at break: 20%

Temperature resistance: 70°C

Packing Unit: 36

- PE-coated fabric with good adhesive strength
- for universal applications
- bundling, packing, repairing, and so on
- tearable by hand
